

Boarder Name: _____

TLC Animal Hospital
Hurricane Season Boarder Waiver Form
June 1-December 1

It is the policy of TLC Animal Hospital to strongly recommend that owners evacuate with their pets when an impending dangerous storm is anticipated to hit the Harris County Area. If your pet is boarding when a dangerous storm approaches, we will make every effort to contact you and your emergency contacts and give you the option of picking up your pet. In the event of a "mandatory evacuation" order, you or your representative will be responsible for picking up your pet within 2 HOURS. If we cannot contact you, or arrangements cannot be made to have your pet picked up, TLC Animal Hospital will take all possible precautions to care for your pet while it is boarding. Due to the unpredictability of these types of storms, however, if a mandatory evacuation of the area is ordered, TLC Animal Hospital staff must evacuate. We will make sure that your pet has plenty of food and water prior to evacuation. We cannot guarantee, however, the safety of your pet, nor can we be certain as to when we will be able to gain access to the boarding facility after the storm passes.

I have read the above information and understand that during the Hurricane Season in Texas (June 1 through December 1), I am responsible for providing contact information for a designated person(s) that will be able to pick up my pet(s) if needed. If I am unable to do so and a mandatory evacuation is call, I understand that I may be boarding my pet at my own risk.
